

K2ESU

Unit Forum minutes

Monday 8th June 2009

1. Present

Ollie, Kris, Jake, Danny, Moz, Butcher, Eddie and Adam

2. Welcome

Ollie opened the meeting and welcomed Danny as the new Secretary.

3. Apologies

Josh didn't attend and no apologies either – most likely due to exams.

4. Matters arising from last meeting

Fundraising, no reply – Moz has phoned Sainsbury's still waiting for details. Other back-up ideas: - 'Bob a Job' – Start possibly in Gresford due to elderly age group (already know what it is).

Mobile Phone recycling – not happening at the moment therefore no money being raised it was suggested that everyone going to Switzerland should give at least one old phone as its quick cash generation.

5. Programme Review

Performing Arts – 8/10

River Crossing – 7/10

Rafting – 8/10

Linx Camp '09 – 10/10 (excellent feedback, enjoyed by all those who went)

Vicar of Dibley – 6/10

6. Secretary's report

Danny or Eddie had nothing to report.

7. Treasurer's report

Jake had nothing to Report.

8. Recruitment Officer's report

Didn't Attend

9. Awards Officer's report

Kris and James need to contact Gordon for D of E.

Kris agreed that all Dragon Award Records would be collected for next meeting.

Badge Books haven't been updated recently, if another order is put in will cost £40.

10. AOB

Adam mentioned that for the Dragon Award not many people have camped in June, two sites were suggested Cae Llywd and Rowallan. Ollie suggested Rowallan would be better as we could use the hut at night time, Ollie & Kris will look into this for around the last weekend of June.

Jake was asked to sent Adam a list of every camp since Frost Camp.

Upcoming camps :- Gilwell 24 – forms and transport to be sorted soon. Awesome – nothing yet.

Mystery – nothing yet. Over '2' you – Ideas need to be discussed with the Unit again.

Next term when the subs are paid, tents and Expedition equipment were a suggestion to buy as the Group has no 2 man tents now as the last few have ripped.

Meeting was closed by Ollie at 7.25pm.
